Kickin' It in the Corral:

*Little Voices in the
President's Mind*

Well fellow 'stangers, we missed a bullet. The weather was menacing all day and it looked like the sky could fall any minute, but it didn't. Was it a great show or what! I was personally impressed by the turn out and how well the club ran the event. It was really great to see so many of our new members becoming active in our most fiscally important club function of the year. Bravo and a pat on the back to everyone for a job well done!

Our event sponsors were pleased as well. I would like to mention our major event sponsors: Doug's Auto Body Shop and Sales, Corned Beef & Company, T.J.'s Mustang Supply and Firestone. Please remember that our event could not be possible without these businesses. Patronize them anytime you can use their services and be sure to mention that you appreciate their support of our club. If you were able to obtain door prizes or goody bag items, please remember to send a thank you note to those sponsors as well. A sincere thank you goes a long way. We don't want to miss even one of our supporters.

Within the next month, we should have all of our finalized numbers. I would like to take this time to thank all

of the students from PHHS ROTEC program for helping Mike Loos with parking and performing miscellaneous jobs at the show. They were a great help.

The club's next outing is on May 23rd at the Mayberry Diner in Moneta for the Old and New car show. Information and a contact phone number for the show can be found on the RVMC website.

There may not be a president's corner next month. We will be touring our most northern state. For those who are geographically challenged, that would be Alaska.

Wish us luck and happy sailing!

Attendance: 19

New Members in Attendance:

- Kenneth Barnes who has a 66' and a 06.
- Sharon Shaffer who has a 05' convertible.

- Update on the RVMC Car Show:
We have our own PA system to use this year for the first time. Unfortunately it doesn't look like Berglund will sponsor our show this year as we had not heard so as of today's meeting. We aren't supposed to have tents up this year other than for registration.
- Activities:
Goodie bags this year went great again and thank you everyone for showing up and helping. The Mayberry Diner is holding a car show on May 23 located at 1696 White House Rd. in Moneta. The club took a vote and decided to participate in the car show along with doing a cruise in on a date that will be in July.

2009 Award Winners!

21st Annual Mustang & All Ford Powered Round-Up May 2nd at Tanglewood Mall

Our 21st Annual Mustang & All Ford Powered Round-Up held May 2nd at Tanglewood Mall was another great success! We had close to 90 vehicles this time despite the threat of rain which never came.

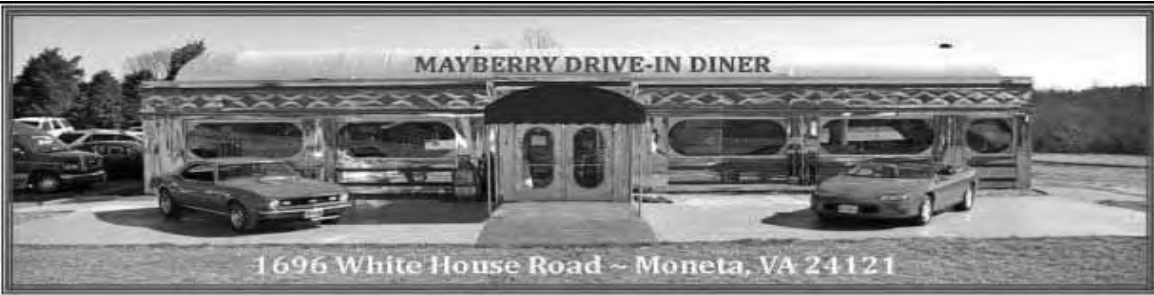

This event would not be possible without our show sponsors. We want to thank all of them. Please remember to consider giving them your future business. Financial information will be announced soon as there are still some outstanding invoices and receipts. The dollar amount for a future donation or an event sponsorship will be discussed at an upcoming meeting.

The club would like to thank our *membership*, our *friends and associates* for their help and support in the endless duties from photography to handling finances to ordering dash plaques and trophies to parking cars to judging to gathering goody bag items to working the prize board to handing out car show flyers to getting sponsorship... the tasks were many and whatever your contribution was in making the show another success...**THANKS TO ALL!**

Congrats to
Sherman Jones
