*Little Voices in the  
President's Mind*

It's now halfway through my year as president and I must say I'm pleased with the club's direction. Membership is up, attendance is up at the club meetings and above all, club participation is up at our activities.

I am very pleased with how the club came together at the Civic Mall for Star City Motor Madness. I am proud to be a member and to be president of this fine organization.

In August, RVMC will host our annual picnic at Mike & Marci Loos' awesome house at Smith Mountain Lake. Please do your best to come out for fellowship and talk about our clubs direction for the second half of the year.

Last month, we had a guest speaker, Peter Lewis, from Apple Orchard Farm at the club meeting. If you know of anyone who would like to speak to the club or offer their services to the club, please invite them to one of our meetings. Let me know and I will gladly add them to the agenda.

As always any and all comments are welcome. Drop me a line or give me a call. Your input is very important to me.

Later!

# J.B.
